

FlexCorp

# CAPABILITY **STATEMENT**

FlexCorp is a renowned wholesaler of cabinetry in South East Queensland and is recognized for its exceptional products and services.

# Introduction

FlexCorp is a well established cabinetry manufacturing business with over 20 years of industry experience. Our commitment to quality and service has made us a trusted name in the industry, and we take pride in delivering exceptional cabinetry solutions that meet our clients unique needs.

"We had such a great experience working with FlexCorp as they brought our dreams of cabinetry to reality"  
Cassandra, Milton, Brisbane

## About FlexCorp

### Our Mission

At Flexcorp, our mission is to deliver exceptional cabinetry that exceeds customer expectations through quality, timely delivery, budget compliance, and outstanding communication. We prioritize prompt service, managing resources efficiently to meet strict timelines. Our commitment to staying within budget is complemented by a dedication to delivering value without compromising excellence. Moreover, we emphasize transparent and proactive communication, ensuring our customers are well-informed throughout the entire process. By upholding these principles, we aim to set new industry standards and consistently provide outstanding cabinetry that surpasses customer expectations .

# What We Do?

Our wholesale cabinetry manufacturing business plays a crucial role in the supply chain of the cabinetry industry, providing high-quality products and services to businesses in need of cabinetry solutions for various applications.

## Our Services

01

### COMMERCIAL JOINERY

Experience our comprehensive commercial capabilities, tailored to meet all your diverse business requirements. From modular setups to high-rise and low-rise projects, government facilities to factory spaces, our expertise extends to a wide range of commercial needs.

02

### TRADE CUSTOMERS (FLAT PACK or PRE-ASSEMBLED)

Introducing FlexiKits, our exclusive cabinetry solution designed to streamline your ordering process. With FlexiKits, you receive fully tailored cabinetry packages that are expertly cut, edged, cleaned and neatly packed, providing you with a hassle-free experience. To enhance convenience, we offer the option of a care package, which includes all the necessary hardware required to effortlessly transform your 2D package into a stunning 3D reality.

03

### ONLINE ORDERING

Introducing FlexiPRO, our groundbreaking online ordering systems designed to empower you in every aspect of joinery procurement. We are thrilled to announce this innovative platform that puts the power in your hands, allowing you to conveniently order all your joinery needs while obtaining live quotes in real time. With FlexiPRO, you can streamline your workflow and respond to your clients even more rapidly, giving you a competitive edge in securing more projects. Experience the efficiency, speed, and convenience of FlexiPRO as you elevate your joinery business to new heights.

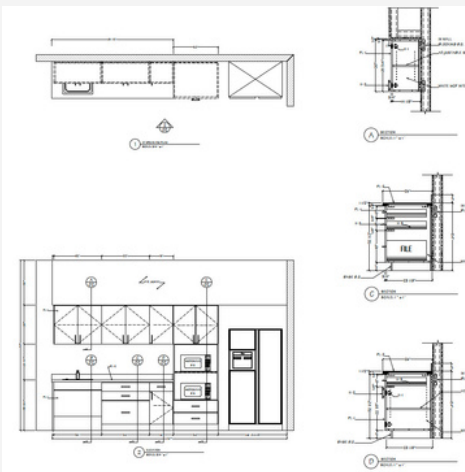

## ROUTED MDF DOORS

Discover FlexiRoute, our exceptional ordering system featuring a diverse selection of over 60 custom profiles, meticulously crafted to breathe life into your cabinetry projects. With Flexiroute, you have the freedom to choose from an extensive range of unique profiles that will add character and distinction to your cabinetry, ensuring a truly personalized and captivating result.

# Qualifications

As a highly qualified and experienced operation in the field of cabinet making and installation, we take great pride in our expertise. We hold the QBCC licence (15304209), we adhere to the high standards that this licence requires.

## Shop Drawing Capabilities

Our team of dedicated CAD Draftsmen develop and set out all of our manufacturing drawings. Utilising industry leading software to create cutting templates and 3D renderings, we can ensure unsurpassed levels of accuracy to safeguard the smooth delivery of any project.
